

Dear Sleuth,

Thank you for booking an exciting evening of mystery and intrigue provided by **Murder Incorporated Limited and Scalford Hall.**

Each evening is set around a theme and your theme for tonight is detailed below, along with instructions for how to participate and an itinerary. We hope you will have a fantastic evening and we look forward to your company.

THEME	ITINERARY	HOW TO PARTICIPATE
<p>Tonight you are invited by the <b>Scalford Hall UFO Spotters Club</b> to attend a celebratory dinner where chairman <b>Kevin Wood</b> will display what he claims is dramatic and revealing evidence about the existence of UFO's.</p> <p>This article below recently appeared in the local press and it promises to be a very exciting and interesting evening indeed. <b>Anton Danvers</b> the club secretary will be there, as will all the members, no doubt.</p> <p><b><i>Aliens Exist - Claims</i></b> <i>Kevin Wood, chairman of the Scalford Hall UFO Spotters Club, has today made some dramatic claims. Mr Wood's organisation spends its evenings on various hillsides watching the skies for Unidentified Flying Objects and it appears that not only has he spotted some of these so-called 'Alien Craft' but also that he has definitive evidence which he says will finally prove their existence.</i></p> <p><i>The Spotters Club is having a party at their regular meeting place, Scalford Hall, where Mr. Wood intends to reveal this information to his members and their friends and also to the public in general.</i></p> <p><i>Maybe the truth IS out there, we shall see. In the meantime if you see any little green men – don't call me.</i> AR</p>	<p>The event will start with a drinks reception at 7.30pm</p> <p>Treat yourself to a drink whilst <b>Kevin and his friends</b> join you from the beginning. They are the victims and the suspects. Dinner will be at 8pm</p> <p>The action will unfold around you and you will have the opportunity to interrogate all the suspects.</p> <p>You can be involved as much as you want, or if you prefer to enjoy the evening in a less dramatic way, just sit back, relax and be assured that we can promise you excellent fare and lively entertainment</p> <p>Remember, if you arrive at the hotel after 7.30pm the plot will already be underway and you may immediately be at a disadvantage in your sleuthing.</p> <p>The case should be wrapped shortly after coffee. With a bit of luck.</p>	<p>Bring a note pad and a pen with you to jot down everything you hear.</p> <p>Interrogate the suspects. They may have something to hide.</p> <p>For those of you attending as dedicated sleuths, remember, this is not a time for true British reserve, do not be frightened or delicate about asking those awkward questions. All the participants have a story to unfold and they cannot do that without you</p> <p>Listen carefully to what the suspects are saying to each other.</p> <p>Watch for any hidden facial expression that may give away a guilty secret.</p> <p>Be suspicious and trust your instincts.</p> <p>Above all, stay alert and keep your eyes and ears open. Trust no one. The person sitting next to you may be a murderer.</p>
